

## **WeBuyCars Wear & Tear Service Plan**

### **PLAN DESCRIPTION:**

A WeBuyCars Wear and Tear Service Plan covers all your essential wear-and-tear components and related labour charges that are not covered by your manufacturer or extended service plan. The purpose is to give you the peace of mind that you will be covered when an unexpected failure occurs to your car's brake pads, wiper blades, battery, brake discs, and an electrical capped benefit, depending on which option you have chosen.

Please note that this plan does not cover every eventuality and you need to fully understand what cover is provided under this plan.

This is a summary of the service plan benefits and terms and conditions. The full plan wording will be provided to you should you wish to purchase a Wear & Tear Service Plan for your car.

### **QUALIFYING CRITERIA:**

- Must be a passenger vehicle, 4x4 or a light commercial vehicle with a gross vehicle mass not exceeding 4 200 kg.
- Must be roadworthy.
- Must not have any other active maintenance plan in place.
- Must not be an electric or hybrid car, a taxi, a rental car, an exotic car, a rebuilt car (Code 3), a modified car (including turbo conversions) or a car that is or has been used in any form of motoring competition or sport.

<b>Cover</b>	<b>Wear &amp; Tear Service Plan – Effective Dates</b>
Cars <b>without</b> an existing Maintenance Plan.	Cover commences <b>from the date of purchase of the power-up service plan.</b>
Cars <b>with</b> an existing Maintenance Plan.	When the existing maintenance plan expires.

## PRICING

The cost of the Wear & Tear Service Plan depends on the duration chosen as well as the vehicle make and engine size. When buying a car from WeBuyCars, our finance and insurance agents will provide you with a quote for the specific car you are buying.

## COVER

In the event of a replacement being required of any of the components listed below, as a result of normal wear and tear. The decision as to what constitutes normal wear and tear is solely at the discretion of the administrator. Normal wear and tear cover are approximately 30 000 km for brake pads and approximately 45 000 km for rear linings. Any replacement outside of these parameters might not be considered.

The table below indicates the components specifically covered by the plan:

Power-Up1	Power-Up2	Power-Up3	Power-Up4
1.Brake Pads (Front)	1.Brake Pads (Front)	1.Brake Pads (Front)	1.Brake Pads (Front)
